**Harry Markos** is a security professional with over 34 years of public and private sector professional security experience specializing in the field of data protection, intelligence, counter terrorism and surveillance. This includes 14 years as Metropolitan Police Special Branch/SO15 Counter Terrorism Command officer.

Since retiring from the Metropolitan Police Service, having served for 30 years, Harry has worked as a Director of Security and Security Manager for two companies and has also set up his own company offering many of the services that he has experience in, including training.

Harry has a vast network of contacts, in the UK and overseas, and is frequently called upon to assist with the provision of specialist services, products and training in the security and compliance sectors.

The experience and knowledge that Harry has gained over the past 34 years adds great value to any operation that he is involved in.
